TITLE INDEX, 1986, VOLUME 77

Note: An "S" preceding the page number indicates an article which appears in the May/June Supplement issue of the *Canadian Journal of Public Health*

- Achieving Health for All, (Editorial), 384
 Achieving Health for All: A Framework for Health Promotion, (Health and Welfare insert), 393, 409
 Address by Dr. H. Mahler, Director General of the World Health Organization, at the Opening Ceremony of the International Conference on Health Promotion in Industrialized Countries, 387, 390
 Adult Physical Activity in Canada: Findings from the Canada Fitness Survey I, 285
 Adult Physical Fitness and Hypertension in Canada: Findings From the Canada Fitness Survey II, 291
 Alcohol and Other Drug Use Among Ontario Students: An Update (Short Report), 57
 Alcohol Metabolizing Enzymes as Possible Markers Mediating Voluntary Alcohol Consumption, S-15
 Ascaris lumbricoides in Nova Scotia, 201
 Assessment of Leisure Time Exercise Behavior by Self-Report: A Concurrent Validity Study, 359
 Bottle Caries: A Nursing Responsibility, 128
 Building Competence in Delayed and Disturbed Preschoolers: Outcome Evaluation of an Intensive Day Treatment Program, S-65
 CAD/CAM Approaches to the Development of Seating and Mobility Aids for the Elderly, S-114
 A Case Control Study of the Etiology of Visible Congenital Malformation in New Babies, 131
 Change in Variables Related to Smoking from Childhood to Late Adolescence: An Eight Year Longitudinal Study of a Cohort of Elementary School Students, S-33
 Characteristics of a Male Homosexual/Bisexual Study Population in Toronto, Canada, 12
 The Characteristics of a Population of Canadian Women Offered Maternal Serum Alpha-fetoprotein Screening During Pregnancy, S-150
 Cigarette Smoking Among Alcohol Abusers: A Continuing and Neglected Problem, 205
 Comment on "Threshold Exposure Level for Chrysotile", 42
 Community Control of Health Care Delivery: The Sandy Bay Experience, 281
 Computerized Evaluation of a Scale To Identify the Fall Prone Patient, S-21
 Contaminants in Drinking Water and Cancer Risks in Canadian Cities, 335
 Cost-Effectiveness Analysis of Endocervical Culture for *N. Gonorrhoeae* at Routine Pelvic Examination, 33
 Crisis Action and Reaction; Health Care in an Eritrean Refugee Camp, 9
 Demonstration of A Systematic Evaluation of a Breast Self Examination Instruction Program Produced by a Non Governmental Organization, 296
 Determinants of Weight and Adiposity in Early Childhood, S-98
 The Development and Evaluation of a Tactile Vocoder for the Profoundly Deaf, S-108
 Domestic Air Pollution and Respiratory Function in a Group of Housewives, 44
 Drinking-Driving Behaviour of Ontario High School Students, 196
 Early Detection of Hearing Loss: A Follow-Up Study, 221
 Epidemiologic Research using the Ontario Cancer Registry, S-79
 Evaluating the Effect of a Breastfeeding Consultant on the Duration of Breastfeeding, 190
 Evaluation of the Isocult Diagnostic Culturing System, 37
 Extra Intestinal Non-Cholera Vibrio Infections in Nova Scotia, 371
 Genetic Toxicologic Monitoring of Human Populations: Smokers, Quitters and Lifetime Non-Smokers, S-140
 Giardiasis in a Group of Travellers — Attempted Use of a Serological Test, 86
 Health Complaints, Sicknesses and Accidents of Workers Employed in High Environmental Temperatures, S-132
 Health Expectancy by Local Area in Montreal: A Summary of Findings, 216
 Health Practices of Edmontonians (Short Report), 320
 Health Promotion: A Global Perspective, 321
 Hepatitis B Viral Infection in Shanghai and Its Prevention, 327
 Immunization of Canadian Armed Forces Personnel with Live Types 4 and 7 Adenovirus Vaccines, 367
 The Immunization Status and Source of Immunization of Two-Year-Old Children in Montreal, 24
 Individual Privacy and Health Information: An Ethical Dilemma?, 168
 Infant Mortality on Canadian Indian Reserves 1976-1983, 269
 Information on Mental Illness, The Use of Newspapers, Leaflets or Both: A Comparative Study (Short Report), 56
 The Ischemic Heart Disease Life Stress Monitoring Program: 18 Month Mortality Results, S-46
 Isolation of *Legionella pneumophila* from Canada Hot Springs, 136
 Is There a Trend Away from Tranquillizing Women?, 119
 Marketing Health Promotion in Canada: An Idea Whose Time Has Come, 315
 Medical and Public Health Research of the European Economic Community, S-144
 The Menopausal Transition; The Use of Estrogen, S-86
 The Montreal Pregnancy Study: An Investigation of Very Early Pregnancies, S-157
 Mortality on Canadian Indian Reserves 1977-1982, 263
 A National Forum on Missing Children, Toronto, April 27-30, 1986 (Conference Report), 314
 National Health Strategies: Time for a New "New Perspective", 81
 National Strategies for Health Promotion (An Address by the Honourable Jake Epp, Minister of National Health and Welfare to the Canadian Public Health Association's 77th Annual Conference), 243
 The 1978 National Survey of Smoking Habits of Canadian School Children, 139
 Native Canadian Participation in a Blood Pressure Survey, 278
 Native Health — A Continuing Concern, 253
 Noise-Induced Hearing Loss and Hearing Protective Devices, S-104
 Nutrition of Canadians 65 Years and Over — A Review, 363
 Observed Effects of Media Campaigns on Restraint Use, 28
 Occupational Diseases of Hairdressers, 109
 Oral Hygiene Habits and Periodontal Knowledge in a Group of Canadian Adults — A Pilot Study, 154
 Ottawa Charter for Health Promotion, 425
 The Patterns and Determinants of the Utilization of Dental Care Services in Canada, S-119
 Planning Support Services for Chronically Sick in Rural Areas, 19
 Practical Applications of the Disease-Illness Distinction Model: New Concepts in Health Care Delivery through the Optimal Integration of Medical and Behavioral Sciences, S-51
 Préparation prénatale: caractéristiques des participantes et des non-participantes, 354
 Prevalence of Helminth Ova in Recreational Areas of Peninsular Halifax, Nova Scotia, 147
 The Primary Characteristics of Dyslexic Children, S-59
 A Prospective Investigation of Children with Congenital Hypothyroidism Identified by Neonatal Thyroid Screening in Ontario, S-164
 A Prospective Study of Male Sexual Contacts of Men with AIDS-related Conditions (ARC) or AIDS: HTLV — III Antibody, Clinical and Immune Function Status at Induction, S26
 Protozoan Parasites in Canadian Far East War Veterans (Short Report), 55
 Public Health Departments and Native Health Care in Urban Centres, 274
 Public Health and Mild Hypertension: Recent Advances and Future Challenges, 17
 Public Health Planning in the City of Toronto — Part 1. Conceptual Planning, 180
 Public Health Planning in the City of Toronto — Part 2. Turning Concepts into Programs, 185
 Quantitative Models of Lung Cancer Mortality II. Predicting Lung Cancer Mortalities for a Population Depending on the Level of Smoking, 208
 The Reliability of Sexual Histories in AIDS-Related Research: Evaluation of an Interview-Administered Questionnaire, 343
 The Report of the Task Force on Health Surveillance of Workers. Special section from the Department of National Health and Welfare, 89
 Respiratory Dysfunction in Farmers Versus Nonfarming Rural Community Control Subjects, S-136
 Risk and Competence: A Model and Studies with Handicapped Children, S-40
 Risk Estimation in X-Linked Recessive Genetic
